NOVEMBER

30 // Football MAC Championship and Bowl Game
Priority Deadline

HELLO HUSKIES,

I am excited to introduce this 2024 HAF Membership Winter Ticket and Premium Seating Guide as a companion to the Fall Ticket Guide distributed earlier this year. While the beginning of the academic year and the 2024-25 NIU Athletics sports seasons is less than two months away and excitement for fall competitions builds, this guide goes a step beyond as even now, preparations are underway for the upcoming Huskie Basketball seasons.

Just as the men's and women's teams are working to come together over the summer months, administratively we are focused on supporting those student-athletes and enhancing the fan experience in the NIU Convocation Center, just as we do at Huskie Stadium and at all of our venues. In this guide you will find information on the NIU Basketball teams, season tickets, premium areas and more. The regular season starts for both teams on November 4 this year, but the work is already underway! I hope you will join us in helping to move our basketball programs forward by purchasing season tickets and taking advantage of the premium opportunities.

As we work to navigate the challenges and changes facing intercollegiate athletics today – from Name, Image and Likeness to the transfer portal to the latest legal rulings and their ramifications – your support of Huskie student-athletes remains critical to our #MissionPossible.

Thank YOU for all you do for NIU Athletics and Huskie student-athletes!

GO HUSKIES!

Sean T. Frazier

Vice President/Director of Athletics and Recreation

THE PACK

RASHON BURNO,
MEN'S BASKETBALL
HEAD COACH

“

We're excited about the roster and the work that has already started for the 2024-25 season. We added experienced, proven, players from winning backgrounds to our returning group and really like the way they are coming together.

”

| General Admission | \$35 (\$5.83/month) |

OTHER WAYS TO SUPPORT

ANNUAL FUND

The HAF annual fund is at the core of our fundraising efforts for NIU Athletics. All monies raised through the annual fund (unrestricted gifts) directly support our mission of inspiring and sustaining excellence among our student-athletes in the classroom, in competition and in life. Specifically, the annual fund provides the Athletic Department operational flexibility. Your generous contributions to the annual fund provide us with the ability to address our most important priorities.

COST OF ATTENDANCE

Through cost of attendance our student-athletes receive additional resources (annual stipends of \$2,748 for full scholarship) above and beyond room, board, books, and tuition. These resources allow them to make the adjustment to life as a college student and supplement their reasonable living expenses, as the time demands of being a student-athlete inhibit their ability to have a job.

ENHANCEMENT FUNDS

Funds created with the intention of directly assisting each of our 17 sports programs reach the next level. Gifts can be directed to baseball, football, men's and women's soccer, men's and women's basketball, men's and women's golf, men's and women's tennis, softball, wrestling, cross country, gymnastics and volleyball.

GIFT-IN-KIND

This is a tremendous way for local and regional businesses or willing individuals to make a significant impact. Gift-in-kind is donated goods or services that would normally be purchased by NIU Athletics. Examples may include: food and beverage (i.e. team meals), housing, nutrition products, printing, and training facilities among other items.

WHEELS CLUB

By providing a vehicle for athletic department use you are allowing Huskie Athletic Fund dollars to be used elsewhere so we can reinvest in our talented student-athletes. The vehicle will be used by one of our coaches for recruiting, public relations and other department business. This is extremely important in today's intercollegiate athletics landscape as this vehicle is often the first impression for prospective recruits, donors, alumni, and the community. Your quality inventory has the ability to make a positive and profound impact.

WAYS TO GIVE

MONTHLY PAYMENT PLANS

Your contribution does not need to be paid all at once. Call us at (815) 753-1923 and we can spread out your contribution on a schedule that is most convenient for you. You can still take full advantage of the benefits at the membership level pledged out on your payment plan.

STOCK GIFTS

Stock gifts can be made and help you avoid capital gains taxes. Please be sure your stock gift includes your name and contact information. To learn more about specific transfer options and to obtain the Gifting Securities form, contact the Huskie Athletic Fund office.

ESTATE GIVING

Through thoughtful estate planning, you can continue to support NIU student-athletes after you're gone. We offer tools and resources to help you learn more about preparing an effective estate plan and planning a gift to the NIU Foundation. Visit giftplanning.niufoundation.org or call (815) 753-1344.
